Conflict of Opinion

1. Padma - 2 emergency call has been as a team and moved the dates to May 16th
As a team we need to function
Need to stay and come to a conclusion but not leave the group
No one has rights to demoralize another human being or threaten
2. Shanker - Ilnisai was provoking hence reacted as such , was not aware if it was Charity team show
3. Ram - When asked if he held any positions, Shankar categorically denied his involvement and said he was not aware his name was added
4. Krithika - Share more dates options to the team before deciding on a concrete date.
Work on outlook for the event
5. Raj - keep political opinions outside being front end of GATS it important to talk carefully
6. Swamy - public forum needs to understand to not mock
Develop a standard response
Please be polite Shankar.
Anyone can be part of any organization and By law has no restrictions.
7. Shawn - same as Ram
8. Poongodi - stay as a team and take decision
9. Arun - Face criticism as a team
10. Mohan - flyer explained for charity , please stay as a team and decide.
Covid has wiped out many lives in America too, that is the reason to have the fund raising event.
Should not encourage points like this from the public
11. Pavitra - when you volunteer you can volunteer anywhere.
Take decisions open with the team
Public forum cannot threaten GATS
Shanker to Pavitra - I only voiced out my opinion and cannot accept i was wrong

Shakar - Did not want to confront after Tamizhe Amudheys (Kalainjar book) did not want to be cornered out when no else voiced out

I am not responsible for public forums accusations

When one team is giving positive feedback team should be open for negative feedback
