Team feedback

1. Ram

- When options are deferred it is better to explain in the group that put in other Public platforms
- Very depressive to see the messages posted.
- I have personally voted against people who send unwanted emails

2. Shawn

- He left the group by himself but still we went ahead and changed the date
- He still joined the call after he left the group and there was a difference of opinion from the team to be shared.
- He does not have to Apologize but atleast can acknowledge not to hurt anyone's feeling
- More over his opinion is differentiated from his Political group and needs to give a security that he would not mingle it both.
- Politics and Volunteering should be seen differently

3. Vinodh

- Aggressive on thoughts should be more explanatory in spite of being a good volunteer
- If he amicably approaches the team it will be good

4. Poongodi

- Agree to Shawn terms.
- We are like a family if it was solved between us it would be healthier.
- He is just angry and has to been expressive about it

5. Kirthika

- Agree with Shawn , tone down and be calm and share the difference of opinion

#### 6. Mahendran

- His communications have been terminated and he chose to leave on his own.
- He cannot be political.

#### 7. Raj

- he cannot abuse anyone.
- Abusing GATS is shaming the family as a whole.
- I have tutored his son and was amazed by his talent but always put Nam Thamizhar in front.
- He has a non profit organization and he could have openly shared the opinion instead of abusing.
- A president coming and supporting GATS on this terms given complaint cannot be taken
- He need not apologize but atleast should realize that a 40 years Non profit organization should not be disgraced.

#### 8. Mohan

- Covered by all.
- I have known him since 2016.
- He was very active for Jalikattu.
- He just needs to tone down on his aggressiveness

#### 9. Jai

- This was discussed 3 months back, all the messages were sent by Ram to the Chairman.
- Volunteers are to be down to earth. He cannot be rude to a team.
- It has always been his way of communication.
- Friendship and volunteerism is different.
- When we had a meeting together he was not amicable
- He cannot lie about his other organization efforts, his name was removed the very next day.
- He was reached out to even take part in Tamizhe Amuthey because of his interest in Tamizh
- We are not looking to remove anyone from the team. We want to work together with peace

#### 10. Arun

- Team's decision.
- He does not have to apologize but should at least not repeat this process.

#### 11. Swami

- Please be amiable to the team.
- We need to talk in the officer team and decide because we cannot decide

- But will collect all the emails and attach and send the response to the team and then send to the chairman
- Please note the number of hours spent on discussion

#### 12. Padma

- He voluntarily left.
- Tamilzhe Amutheys Flyer was sent to him and no objection was raised till neck of the moment.
- Charity program was also changed since he voiced out, as a team we wrecked to do what the team members wanted. Still acquisitions did not stop
- He need not send an apology, no one is looking to hurt anyone's ego
- He cannot send an open threat , stating if not added back to the team will spoil the name by taking the issue to the General body
- How can anyone work with someone who puts out an open threat.
- Women come to volunteer coz this place has always been safe
- With this kind of behaviour not sure to what extreme he can get to and how we can all work together.
- He reached out to me to add him back to the group, I told him I do not have the authority and to please reach out to the president.
- I don't feel safe

#### 13. Prabhu

- Stand with the team.
- Not looking to let go of anyone.
