Document shared to the Business with the findings

Jay's update to Team.

- BOD meeting on Tax filing ER Meeting ,was done last week, Bala did not join the meeting
- Pazhani was not aware of the tax filing back and forth communication.
- 37500\$ provided by Girish Modi with a clause of 1500\$ can be used every year. Girish modi had mentioned he would go legal if the money was not returned by the given time, hence it was taken as legal issue
- 6000\$ was used to buy music instrument, but Prakash raised enquiry there is a bill for 3700\$ only
- Bhaskar had passed a resolution that Ram to be the acting Chairman, coz of the negligence of the Tax filing, Pazhani disagreed the statement
- Pazhani provided MOM after asking but it was extremely generalized , with the missing points added by the members, hence asked for proper MOM
- Ram - GACC report should also be shared to the GB
- BOD and EC should come to a set of and GB should join and ask questions
- Pavitra- please share the document to the EC
- Swamy - I have to add my point which was missed. Jabar has shared the document.

Mahendran- what if the MOM was not provided by the Chairman as it is, will the issue not be solved

Ram - it is wrong for people to do something wrong and not acknowledge it. I am not taking anyone's side I am only asking for taking responsibility

Jay- Ram and myself had voted for a change so that there is no more thread of emails. But now there is another set of issues that have started up

Tax filing Committee to check on the situation- Swamy is also in team formed

Jay proposed neutral team and proposed to add EC member Mahendran

Complaint on President - Swamy

Since EC Shanker left the team by himself it cannot be blamed on us. But resolution should be passed with him in the team & the resolution will be read out by the Secretary and a vote will be taken. Then will be communicated to Shanker if he is ok he will stay in the team else removed

Jai - why was this sent out to seniors instead of the chairman, Padma has already filed a complaint.

Why did the Chairman reach out for a complaint from Shanker?

Why was it mentioned that there was no official evidence in the email to the seniors on Shankers issue?

Swamy - The Vice President has to handle this situation according to the By-law when there is a complaint against the President.

Mohan - to Swamy - During the discussion on Girish Modi funds you mentioned you wanted the message to be diplomatically discussed and taken to General Body - Why was the complaint on the President from EC Shanker not taken to the Chairman but instead to older members of GATS?

Swamy - we have to take a resolution on the complaint hence it was taken to seniors for opinion. This can be a legal issue, hence discussing with the team. I would prefer everyone to reach out to the seniors to understand Since he went out by himself it is not a legal issue.

Complaint raised needs a resolution to be passed so that it can close the issue

Mahendran - Shanker left the meeting and he was rude to Jay and Raj. He chose to not join the meeting

Let the resolution be clear

Rajkumar - he is still in the official communication team.His complaint is void

Shan- all he has to do is he needs to say that he won't do it again that is what the resolution is for.

Pavitra - Why has the complaint not been seen chronologically, Padma was the first person to send out the complaint to Chairman, on EC Shanker.
