GATS Mobile App Walkthrough

Date and Time	<2/9/2026 8:00 PM - 9:00 PM Eastern Time>
Attendees	Anbazhakan Sengodan, Divya Vinoth, Madhu Anbu, Sankar Thangavelu, Prathiba Prem, Peter Rosari, Sangeetha Ramesh, Arul Xavier Raj, Ganesan Natarajan

Minutes:

---

1. Anbazhakan and Prathiba set the context of the meeting and gave introduction about the history of the Salesforce migration process and Mobile App development which started mid 2024
2. Ayyappan, Tech committee Liaison, walked everyone through the GATS Mobile App usage
    a. Explained the basic use cases of end user
    b. Explained the payment modes
    c. Explained user access for SF
3. Salesforce access
    a. 10 accesses
    b. Team will decide who will have access to the SF and their level based on the Bylaws
4. App release strategy
    a. Better to release before Pongal event on 2-14-26
    b. Release through Email, Flyer
    c. If possible, create a promo video
5. CiviCRM shutdown strategy
    a. Better to do it ASAP
    b. Should we do it at the time of release or keep it open for a few days while the App is up?
    c. Decided to deploy a static page and redirect the payment, new user, renewal pages to this static page which then redirects to App and Play store.
6. Concluded with the above decision to launch the app through email before the event and deploy the redirections to avoid duplicate updates and keep civicrm up.
7.
