3. MTV venue discussion
    a. MTS venue or EFHS venue
        i. Since MTV has a rolling trophy, can we rotate to some other location?
        ii. Most likely we will go with MTS as we dont have venues available in Marietta for AVK and at least one event has to be kept in Marietta
4. Relevantz - Sponsorship withdrawal
    a. Need to discuss with them on how we can reinitiate the relationship
5. Divya resignation
    a. Anbu said since she said she doesn't want to continue and lets move on

    b. Peter raised concerns about her email that he also has several concerns/complaints over her behavior too and there is no opportunity to express his
    c. Ganesan said it was a small incident and was blown out of proportion. Peter apologized, Prathiba apologized and even Sangeetha apologized on an occurrence. Even after that, she cited Peter as one of the reasons for her resignation. Her asking to circulate the reason to fellow team members is not a valid request at all. My take is to find out what she wants to do - either resign without any reason or resolve her concerns by addressing them.
    d. Peter continued that despite apologizing, Divya continued to bash him in the calls and call him out in email and other meetings which affects him both personally and professionally (volunteering).
6. Aravindhan issue - It is decided to set up a call with him with EC and the BOD representative and not as a full board.
